Dal 1954 operiamo sul mercato nazionale e continuiamo a seguire l'evoluzione della didattica proponendo anno dopo anno materiali e arredamenti selezionati ed innovativi per continuare ad essere un punto di riferimento importante per tutte le istituzioni scolastiche pubbliche e private.

Lavoriamo costantemente per fornire al cliente dei materiali SICURI, CERTIFICATI e di QUALITA'.

In tutti questi anni abbiamo sempre cercato di fornire, migliorandolo costantemente, un SERVIZIO. Pensiamo che il nostro lavoro non sia solo quello di vendita ma che debba essere un insieme di informazioni, consigli, progettazione, consegna ed installazione per fornire al cliente un'esperienza di acquisto soddisfacente. Abbiamo quindi investito in formazione del personale per dare una consulenza pre e post vendita e un'assistenza tecnica con sopralluoghi, progetti e installazioni.

Siamo presenti sui principali marketplace della pubblica amministrazione e in particolare su Mepa di Consip.
